

Building Partnerships to Counter Hate

Community Alliance Survey

Please complete and submit along with your registration form.

We want to ensure that everyone has his/her voice heard at the Forum. We would appreciate your taking the time to respond to the following questions and returning the completed survey with your registration form. Please feel free to use as much space as you need. This questionnaire will be used by facilitators to guide the Forum discussion.

1. What defines hate for your community:

a) In what ways has your community experienced hate? How has it manifested itself? Describe the nature of the hate experienced and where it most often occurs.

b) Are youth in your community particularly vulnerable to hate-motivated activity? In what ways?

c) Who are the perpetrators of hate against your community?

2. a) Are there barriers for members of your community in reporting hate? If so, what are they?

b) Whom/which agencies or sectors do you approach for assistance when there is a hate incident in your community:

- Police. Please specify _____
- Social Service Agency. Please specify _____
- Community Agency. Please specify _____
- Other community groups. Please specify _____
- Government. Please specify _____
