MARKHAM CIVIC CENTRE

Today we join with other communities around the world to ensure that the victims of the Holocaust will not be forgotten, and to read names of men, women and children who were murdered.

We also recall all of the non-Jewish victims of the Nazis. B'nai Brith Canada sponsors "Unto Every Person There is a Name" in the hope that it will strengthen the bond of memory, the bond between past and present. This program is further intended to combat ignorance, indifference, and Holocaust denial, and to galvanize the community to fight antisemitism and racism.
